GENERAL INSTRUCTIONS

1. Complete applicant information exactly as it appears on current registration card. Applicant's driver license number is required for plate re-issuances only (not applicable if vehicle owner and/or co-owner is not a licensed driver). Print address change in space provided, if required. When applying for a replacement registration plate, Section D must be completed instead of Section C. Fee: \$7.50. **NOTE:** When the application is being submitted through an agent/messenger, a copy of applicant's photo identification must be attached. If the vehicle is owned by a company or a corporation, a letter is required on company letterhead identifying the person who is authorized to sign Section D to receive the replacement registration plate on behalf of the business. If the replacement plate is mailed to a company/corporation, the only requirement is a letter on business letterhead authorizing the representative for the company/corporation to sign in Section D. This letter must be attached to the application before submitting to the Department.
2. Indicate number of duplicates desired in Section B.
3. Only the owner or the co-owner's signature is required and proper identification is required if the application is being submitted through a Notary Public, Messenger Service, or Issuing Agent. If the vehicle is owned by a company or a corporation, a letter is required on company letterhead authorizing the person who is authorized to sign in Section D to pickup the replacement registration plate. In addition, the Notary Public, Messenger Service, or Issuing Agent is required for three years to maintain a copy of the letter on company letterhead authorizing a person to sign in Section D and pickup the plate for the company/corporation.
4. Do not send cash. Make check or money order payable to the "Commonwealth of Pennsylvania" and mail to the address listed on the front of the application.
5. Complete Section D instead of Section C if this application is made within 90 days from date of original issue and the registration documents or plate was never received due to loss in the mail. No fee is required.
6. Should you desire to renew your registration in conjunction with this application, you must complete Form MV-140 or your registration renewal application and return it with this application. A \$7.50 replacement fee is required in addition to your annual registration fee when replacing the current registration plate in your possession. **NOTE:** Duplicate registration cards at time of renewal, transfer or replacement of registration plate cost \$1.50 each. All other times, a \$4.50 fee is required for replacement or duplicate registration card.
