

Eastern Pike Regional Police Department Launches On-line Crime Alerting and Mapping Service with CrimeReports.com

Citizens empowered with near real-time neighborhood crime information available 24/7/365.

The Eastern Pike Regional Police Department have announced a new On-line Crime Alerting and Mapping Service that provides easy to read incident crime maps and automated alerts to the citizens of Matamoras Borough and Westfall Township. The service, located at the Eastern Pike Regional Police Department's Web site at [http://www. Eprpd.org](http://www.Eprpd.org). Neighborhood crime data in near real-time and is available now.

The Crime Reports service is free to the public and allows citizens to receive automatic daily, weekly or monthly email alerts if/when crimes occur near their home, office, local school, etc. Citizens can also view reported crime activity on an easy to use map for any location within the Eastern Pike Regional Police Department's boundaries. Crime incident data is updated nightly and includes:

- Incident type
- Date
- Location
- Distance from citizen's address
- Event identification/case number
- Brief crime incident description

"This Crime reporting system will prove particularly valuable to those in the community who want to stay informed about what is going on in their neighborhoods and empower citizens to work with the police department to address neighborhood crime issues." said Chief Chad Stewart.

"By participating in CrimeReports.com, the Eastern Pike Regional police Department is demonstrating its commitment to service and safety by making crime information available to the citizens of Westfall Township and Matamoras Borough," said Greg Whisenant, co-founder and CEO of Public Engines, which makes the CrimeReports.com application. "Chief Stewart and the E.P.R.P.D. staff are forward-looking, providing timely, location specific information to the public when they need it" he said.

"As part of our ongoing effort to provide the citizens of Matamoras Borough and Westfall Township with up to date information on what's happening in their neighborhood we have introduced our new crime mapping system said Chief Stewart." "Keeping the public well informed has been proven effective in reducing crime", he said.
